GOVERNOR TOMBLIN ANNOUNCES TRANSPORTATION ALTERNATIVES AND RECREATIONAL TRAILS GRANTS

CHARLESTON, W.Va. (November 29, 2016) – Gov. Earl Ray Tomblin today announced grant awards to fund 54 community and infrastructure projects across the state. The Transportation Alternatives and Recreational Trails Grant programs will provide more than \$7 million for a variety of improvements.

“Improvements like those supported by the Transportation Alternatives and Recreational Trails programs are investments that build a better and brighter future of West Virginia,” said Gov. Tomblin. “Today’s grant funding will allow us to build and repair infrastructure across the state—making our communities better places to live and work.”

Funding is provided by the Federal Highway Administration. The West Virginia Division of Highways administers the programs.
